

GIVING THROUGH YOUR DONOR ADVISED FUND

Donor Advised Funds offer a flexible and tax-efficient vehicle for managing your charitable giving. Put your money to work today in support of the parks and trails of Bainbridge Island by making a generous contribution through your DAF.

How it works

A DAF account is established through an irrevocable tax-deductible contribution (cash, stock, real estate, etc) to a sponsoring organization, community foundation, or financial institution that then oversees the tax-free growth of the assets.

While these assets legally belong to the sponsoring organization, the DAF account holder has advisory privileges over investment strategy and charitable disbursements.

DAF funds can only be applied to support organizations, such as Bainbridge Island Parks and Trails Foundation, that are tax-exempt 501(c)(3) and classified as public charities under 509(a). DAF account holders can recommend either single or recurring charitable disbursements.

If you would like to recommend either a single or recurring donation through your DAF account, please identify BIPTF as a recipient to your sponsoring organization.

Please make checks payable to:

Bainbridge Island Parks & Trails Foundation
PO Box 11127
Bainbridge Island, WA 98110

The Bainbridge Island Parks & Trails Foundation is a 501(c)(3) nonprofit organization.
Tax ID# 91-1855049
